TERMS OF SUBSCRIPTION.

The STANDARD will be delivered to subscribers in the District at ten cents per week, payable to the carriers; or, when preferable, they can pay at the office for a longer period. Subscribers will be furnished, by mail, ten weeks for ONE DOLLAR; and in no case will the paper be continued beyond the time paid for. Single copies two cents.

A Weekly edition of the WHIG STANDARD for country circulation is published every Saturday morning, at ONE DOLLAR per annum, IN ADVANCE.

PROSPECTUS.

THE undersigned, believing that a cheap daily Whig newspaper at the seat of Government would prove a valuable auxiliary to the Whig cause during the approaching Presidential contest, will publish, on the first Monday in November next, a thorough and decided Whig paper, entitled,

THE WHIG STANDARD,
 devoted to the principles and policy of that party, as laid down in the following declarations by HENRY CLAY:

- "A sound National Currency, regulated by the will and authority of the Nation;
- "An adequate revenue, with fair protection to American Industry;
- "Just restraints on the Executive Power, embracing further restrictions on the exercise of the Veto;
- "A faithful administration of the Public Domain, with an equitable distribution of the proceeds of the sales of it among the States;
- "An honest and economical administration of the General Government, leaving public officers perfect freedom of thought, and of the right of suffrage, but with suitable restraints against improper interference in elections;
- "An amendment of the Constitution limiting the incumbent of the Presidential office to a single term."

To this announcement we believe every true and ardent Whig will favorably respond. The hearts of the Whig army, whose ranks were unbroken, and whose banners floated unstricken during the campaign of '40, must, everywhere, swell with glorious pride at the memory of the past, and their hopes encouraged by their joyous anticipations of the future. It is true a nightmare of treachery now rests upon the energies of the party; but shall we not arouse to the importance of the political conflict which is about to ensue? There are at this time five opposition papers at the Seat of Government, each, in its way, endeavoring to sap the foundations of the Whig party, and blasting the prosperity of the country by the measures they propose. Shall we not rally against the foes excited by these emissaries, whose corrupt and atrocious motives are manifest by their early wrangling for spoils which they never can win? We know the response of millions of freemen will be "AY, RALLY!" Already the "hum of either army still sounds;" already the general furnishing of arms "gives dreadful note of preparation;" then let ours be a bright and death-dealing sword in the conflict. Let us rally under a leader upon whose standard is inscribed "Liberty, Order, the Constitution;" whose great political and personal virtues endear him to every generous heart, and whose patriotism has never been excelled—let us rally for HENRY CLAY, the Statesman and Sage, the friend of the workingman, the idol of his country, which, for forty years, next to his God, has had his chief care.

In addition to the thorough Whig course which this paper will pursue, its readers will be furnished with the earliest local intelligence of the city and District, and the general news of the day.

The daily hour of publication will be 6 o'clock in the morning; and during the session of Congress a synopsis of its proceedings will be given up to adjournment, by able reporters; enabling us thus to transmit abroad, through its columns, whatever of interest may transpire, at the earliest hour.

The WHIG STANDARD will be published, daily, at 10 cents per week, payable to the carriers.

The paper will be mailed to subscribers out of the District, at \$5 per annum, payable invariably in advance, or for a shorter period at the above rate.

F. S. All communications by mail must be post paid, or they will remain in the post office.

DR. TAYLOR'S BALM OF LIVERWORT. prepared at 375 Bowery, New York, is justly celebrated as the most wonderful curative of pulmonary diseases in the whole range of pharmacy, some of our most respectable physicians use it in their practice, prescribing it as the best of all remedies for pulmonary complaints and physical debility, and they unhesitatingly recommend it to be kept in every family of a consumptive tendency. It is universally received as one of the standard medicines of the day. The great merit of Dr. Taylor's Balm is, that in all cases of pulmonary complaints it gives immediate relief. A single bottle will, in most cases, reveal its astonishing virtues, and open at once the fountain of health and strength to the afflicted. Read the following certificate:

"Being constitutionally predisposed to Consumption, (a number of my family having died with this disease) and having suffered from irritation of the Lungs, accompanied with cough and raising matter and blood, together with severe pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of Dr. Perkins, as a last resort, to try 'Taylor's Balm of Liverwort.' I have taken five bottles in all. I began to improve with the first bottle, and while taking the third, was so far recovered as to be able to get about. Since which time, by continued use of it, I am quite restored, and able to attend to my usual business. To persons suffering from coughs and affections of the Lungs, I do earnestly recommend it."

(Signed)

"JAS. C. SCOTT."

ELIZABETH CITY, N. C., Dec. 16, 1842.

Observe—The only genuine Taylor's Balm of Liverwort has an engraved label around each bottle, with the signature of Dr. Gordon J. Leeds, attached, to prevent counterfeits. In order to be certain of obtaining the genuine article, purchase only at the original office, 375 Bowery.

THE WONDERFUL CURES

Per-

formed by

Dr.

SWAYNE'S

Compound Syrup

of Wild Cherry,

in

Pulmonary CONSUMPTION,

have excited the as-

tonishment of all who have wit-

nessed its marvellous effects; there is

no account of a medicine, from the earliest

ages furnishing a parallel; the almost

miraculous cures effected by this

extraordinary medicine, are un-

precedented. One among

the many certificates

may be seen

below.

CINCINNATI, Feb. 15, 1840.

Dr. SWAYNE—Dear Sir:

PERMIT me to take the liberty of writing to you

at this time to express my approbation, and to

recommend to the attention of heads of families and

others your invaluable medicine—the Compound

Syrup of Prunus Virginiana, or Wild Cherry Bark.

In my travels of late, I have seen, in a great many

instances, the wonderful effects of your medicine in

relieving children of very obstinate complaints, such

as Coughing, Wheezing, Choking of Phlegm, Asthma-

tic attacks, &c., &c. I should not have written

this letter, however, at present, although I have felt

it my duty to add my testimony to it for some time,

had it not been for a late instance where the medi-

cine above alluded to was instrumental in restoring

to perfect health an "only child," whose case was

almost hopeless, in a family of my acquaintance. "I

thank Heaven," said the doating mother, "my child

is saved from the jaws of death!" and I now say and

believe that, beyond all doubt, Dr. Swayne's Com-

pound Syrup of Wild Cherry is the most valuable

medicine in this or any other country. I am certain

I have witnessed more than one hundred cases where

it has been attended with complete success. I am

using it myself in an obstinate attack of Bronchitis,

in which it proved effectual in an exceedingly short

time, considering the severity of the case. I can re-

commend it in the fullest confidence of its superior

virtues; I would advise that no family should be

without it; it is very pleasant and always benefi-

cial; worth double, and often ten times its price. The

public are assured there is no quackery about it.

R. JACKSON, D.D.

Formerly Pastor

of the First Presbyterian Church, N.Y.

In districts where Calomel and Quinine have been

too freely made use of in bilious complaints, &c., Dr.

Swayne's Compound Syrup of Wild Cherry, will pre-

vent their evil effects on the system, and act as a

strengthening alternative and improve the bilious

functions.

HOARHOUD CANDY.—The subscriber has recently been appointed agent for the sale of Pease's Hoarhound Candy. He could speak from personal knowledge of its beneficial effects in cases of severe cold, coughs, &c., but, lest he may be deemed an interested witness, he adduces the following, among numerous other testimonies, to the same import:

Hermitage, April 17, 1843.
 I have the pleasure to acknowledge your kind favor of the 1st ultimo, by the hand of my friend, Mr. J. Armstrong, and with it your most esteemed present, a package of your Hoarhound Candy, for which I receive my sincere thanks. I can only add, that many thousands receive from its use as much benefit as I have done, then will its inventor go down to posterity as one of its benefactors.

I am gentlemen, very respectfully,
 Your friend and obd't serv't,
 ANDREW JACKSON.

Messrs. Pease & Sons.
 Washington, April 6, 1843.

The President desires me to return Messrs. Pease & Sons his acknowledgments and very sincere thanks for the box of Candy received at their hands. He has used it with much benefit to himself, as a remedy for cold and cough. I am, with very much respect,

JOHN TYLER, Jr., Private Secretary.

Albany, May 18, 1842.
 Gentlemen: You will pardon me for the delay in replying to your letter of the 14th ultimo, and acknowledging the receipt of a box of your Clarified Essence of Hoarhound Candy.

Allow me to thank you for this kind respect, and to express the hope that you will be liberally patronized in your efforts for the public. The article is got up in beautiful style, and is highly commended by those who have had occasion to use it.

Your obd't serv't,
 Messrs. Pease & Sons. WM. C. BOUCK.

City Hall, New York, June 27, 1843.
 Messrs: I have repeatedly used your Candy for coughs and colds, and always found relief, but official duties prevented me from writing to you before. But as I have lately been cured of the influenza, I cannot withhold from recommending the same to the public.

I am yours, truly,
 ROBT. H. MORRIS.

Messrs. Pease & Sons, 45 Division street.
 Lindemould, Oct. 14, 1843.

Gentlemen: I have to thank you for the box of your, I doubt not, justly celebrated Clarified Essence of Hoarhound Candy, and also for the very obliging terms in which you have been pleased to present it.

I have not, I am happy to inform you, as yet had occasion to use it, but will do so when necessary, with a confidence in its efficacy which is well warranted by the experience of others.

Very respectfully, your obedient servant,
 M. VAN BUREN.

After all, the best recommendation of it is a personal application which he invites those afflicted with coughs and all public speakers to make. He will keep a constant supply at his Family Grocery Store, on 7th street, nearly opposite the Patriotic Bank.
